The Learning and Academic Resources (LAR) Department would like you to know that we are here to help your students succeed!

If you would like your students to hear about our services first-hand, please contact one of the individuals below, and they would be happy to arrange a 10-minute classroom visit or a “field trip” tailored to your students’ needs.

Some of the LAR Department services that may be highlighted in a class or Center visit are:

- Tutoring
- Course textbooks and software
- Study Skills workshops
- Supplemental Learning Assistance
- Assessment Test preparation
- Study Skills downloads
- Basic Skills (math, writing, reading) development
- Study Space

Please let us know when, where, and for which class you’d like to book a visit.
