### Keynote Topics

**Dr. Barbara Young:**

"** THE CHALLENGE: Transforming YOURSELF FOR SUCCESS.**"

In this highly charged and enlightening keynote address, Dr. Young will set the tone for the Conference by challenging the audience to enact personal and professional transformation to take charge of their lives. She will share her success story and discuss the guiding principles of transformational success and what it means to live deeply each day and from your own unique self, rather than merely to exist through your days.

**Dr. DAVID DEMURJIAN, DEPUTY D.A.:**

"**Identity Theft**"

Identity theft is the fastest growing crime in our nation today. Besides dumpster diving, mail theft and lost/stolen wallets, criminals are stealing information by overhearing conversations made on cell phones, from faxes and emails, by hacking into computers, from telephone and email scams, and even from careless online shopping and banking. In fact, more than 20% of all cases involve telecommunications and the Internet. (FTC) It is of prime importance to understand how thieves steal your information via the telephone and computer systems.

**Congresswoman Linda Sanchez:**

"** Transformation and Politics **"

Congresswoman Linda Sánchez was sworn into Congress on January 7th, 2003, and is currently serving her third term in the U.S. House of Representatives. She represents the 39th Congressional District of California, which includes the communities of Artesia, Cerritos, Florence, Hawaiian Gardens, Lakewood, La Mirada, Long Beach, Lynwood, Paramount, South Gate, Watts, Whittier, and Willowbrook.

**Rising Star:**

She is one of us, and may be sitting next to you. Who do you think is our Rising Star?

Many thanks to all who had a hand in putting on this conference…your time is priceless and AAWCC thanks you.
